

Theme of the Year: LEADERSHIP
“Discover the Leader in You.”

Class V - XI

Dear Parent,

We understand that your children are now in their tween and teen years. Adolescence is a time of rapid changes for kids, both physically and cognitively. This is not an easy time for them and for you as their parents. At this crucial stage of their development, at times, parents make mistakes which have consequences later.

We are pleased to invite you for an interactive session on Effective Parenting exclusively for parents of Class V to XI students.

Day and Date: Saturday, December 16, 2017

Time: 11.00 am

Venue: School Hall

Please do not bring your children for the workshop and one parent must attend this workshop.
