

CURRICULUM INSIGHT

Jr. Kg. – January 2019

Theme for the month: Fun with Transport

The joy of life lies in “Exploring the world” and what better way to do than that by learning about various modes of transport.

This theme will teach the children not only about the different modes of transport such as automobiles, trains and airplanes but also about their utility and the safety measures that we should adopt as responsible citizens.

Methodology: Effective usage of Audio Visual learning, technology, art and craft and role plays.

Language:

Students will learn to write letters Aa- Zz independently.

There will be recapitulation of all sounds done and 3 letter words. Do reinforce the use of tricky words. Children will also learn through rhymes, stories, show and tell activities, picture talks, book browsing, and newspaper reading activities. They will also learn to read short sentences.

Life Skills:

Good Manners on the road:

This month, students will learn about the traffic rules and good manners to stay safe on the road.

Numeracy:

Reinforcement of numerals, concepts of colour, shape and size will be done.

Dates to Remember:

Date	Activity / Event	Particulars
04/01/2019	Car Activity	Students to bring a small, labelled empty match box covered with white paper.
24/01/2019	Pink and purple Celebration	Girls to bring a pink coloured object and boys to bring a purple coloured object for the Show and Tell activity.
25/01/2019	Republic Day Celebration	Students are required to wear tri-coloured clothes.
31/01/2019	Transport Day	Students to bring a well labelled toy vehicle (road, rail, water or air transport) and speak 2-3 sentences on the same for the Show and Tell activity.

A soft copy of the Rhymes for the month will be mailed to you.

At Home You Can:

Explore books related to the theme. By reading story books and making your home a print rich space, you will improve your child’s ability to master new learning. Do make your child share

his/ her reflections of the stories read. This will develop thinking, reasoning as well as aid in confidence building. Please encourage your child for every effort made – he/she will do better in a motivating and positive environment.

Talk to your child about the importance of pollution control by opting for car pool or using public modes of transport as and when possible. Set an example for your child by switching off the ignition when stopping at signals and by following traffic rules to explain them the objective of the same.
