### **Theme for the month: Transport**

Explore books related to the theme. By reading story books and making your home a print rich space, you will improve your child's ability to master learning effectively. Do make your child share his/her reflections of the stories read. This will develop thinking, reasoning skills as well as aid in confidence building. Please encourage your child, for every effort made. They will do better in a motivating and positive environment.

To enhance your child's learning experience; you could take the child to the railway station, bus depot or airport.
