Theme for the month: Community Helpers

A community needs many people to pitch in for it to function well. The community helpers are very often those who have a direct interaction with other members of the community and deliver a great service which is critical for the well-being of the community. At Home You Can:

Explore books related to the theme. By reading story books and making your home a print rich space, you will improve your child's ability to master learning effectively. Do make your child share his/her reflections of the stories read. This will develop thinking, reasoning skills as well as aid in confidence building. Please encourage your child, for every effort made. They will do better in a motivating and positive environment.

To enhance your child's learning experience, you can give them hands on experience by mailing a letter to his/her grandparents or interacting with the community helpers around him/her.
