

CURRICULUM INSIGHT

Nursery – June 2019

Theme for the month: Farm Friends

Introducing to farm animals at an early age will result in a greater understanding of responsibility and compassion. Through this theme the children will learn about pets and farm animals; they will get a better understanding of how animals are classified based on their abilities, skills and habitat. The students will learn in detail about each pet and farm animal: food, family, sounds, physical features, needs, health and care. They will also be introduced to rain and rain creatures.

Methodology: Effective usage of Audio Visual learning, technology, art and craft and role plays.

Language:

Vocabulary will be enhanced through the introduction of letters 'Dd', 'Ee', 'Ff', and sight words related to the theme. Along with these, various activities like show and tell, picture talks, rhymes and stories will be done regularly.

Life - skills:

Help the child develop and implement these skills in their daily life, so that they become part of their personality.

Numeracy:

The children will be introduced to numerals, concepts of colour and size.
