

CURRICULUM INSIGHT

Sr.Kg – August 2017

Theme for the month: Animal Kingdom

It is important to sensitize today's children to conserve wildlife, value and appreciate the same. Awareness of conservation must begin when children are young as they are the future caretakers of the planet. Thus taking, 'Extinct and Endangered species' as the theme for the month; the little ones will learn about these species and also one's role and responsibility as a global citizen. We look upon the young generation to be a part of the conservation drive and help us to conserve planet Earth.

Methodology: Audio Visual learning, Technology and Role Plays.

Language:

Introduction to digraphs and the revision of the below mentioned tricky words.
your, go, no, so, my, do, all, are, you.

Phonic books will reinforce the concepts learnt.

Do reinforce the use of new vocabulary: gobble, gulp, swallow, conversation, talk, chat
anxious, worried, nervous, dirty, soiled, pollute.

Life Skills :

Cooperation: This month, the child will learn the value of cooperation. They will strive to cooperate, collaborate and lead or follow as the situation demands.

Numeracy:

The child will learn numerals from 1 – 40 with number names three, four and five. We shall also do concepts of matching, introduction to oval shape with recapitulation of other shapes.

The concept of the Rainbow and its colours will be explained.

Dates to Remember:

Date	Event/Activity	Particulars
04/08/2017	Raksha Bandhan Celebration	Students to come dressed in traditional wear.
11/08/2017	Janmashtami Celebration	Students to come dressed in traditional wear and carry a clay pot for the pot decoration activity.
14/08/2017	Independence Day	Students to wear clothes that depict the tricolor of Indian Flag.
31/08/2017	Ganesh Chaturthi celebration	Students to come dressed in traditional wear.

A soft copy of the Rhymes for the month will be mailed to you.

At Home You Can:

Encourage your child to watch television programmes and films on endangered species that stress the importance of conservation. The more dialogues you have with your children about wildlife conservation, the more opportunities there are for them to appreciate the importance of our diverse and fragile ecology.

You may donate a portion of the child's allowance to a reputable conservation group.

Web resource links that can help you in your venture include:

[Endangered Animals](#)

[Animals that may go extinct](#)

[Extinct Animals](#)

[Extinct and Endangered species](#)

As this month is full of festival celebrations you could discuss the importance of each festival. Children will be exposed to the significance of each festival in an age appropriate manner in school.

Looking forward to an eventful month of learning and celebrations.
