

**Theme of the Year: LEADERSHIP**  
**“Discover the Leader in You.”**

Dear Parent,

Let us gift kindness to celebrate this festive season of Christmas. Kindness, at its core, is love; it is joy, peace, patience, goodness, faithfulness, gentleness, and self-control. Kindness is contagious - when we focus on kindness, our world becomes kinder. We believe in intentional acts of Kindness that are deliberate, frequent and a part of our everyday lives; to this endeavour we would like our Universal Beginners to inspire others by performing any simple act of kindness.

Be the change you wish to see in the world!

**Some suggested acts of kindness are listed below:**

1. Make some home- made gifts to give away this festive season.
2. Do something helpful for a friend or a family.
3. Pick up litter in the local neighbourhood.
4. Give clothes, blankets, toys or food to others who may need them.
5. Do an act of kindness to help an older person.
6. Offer hugs to loved ones and friends.
7. Make a card or decoration for someone special.
8. Take some supplies to a local animal shelter.
9. Give someone your place in a queue in a shop, mall, theatre, public transport etc.
10. Get outside into nature and feed the birds.

**You are requested to click pictures of students performing any of these acts and send the photographs to school for display by December 15, 2017.**
