**Date: 22/11/2018**

Dear Parent,

India is committed to eliminate measles and control Rubella by 2020 as per the WHO South East Asia Regional Goal set by all 11 countries in the Region.

As part of this, Government of India is implementing wide age group (9 Months to 15 years age) one dose Measles Rubella Vaccination campaign across all states in the country in phases; 21 states have completed the campaign and it is scheduled to start in Maharashtra from November 2018.

Under this campaign, MR vaccine injection will be administered to all the students of our school from Preschool to Class X on **November 29, 2018 from 8.30 a.m. to 4.30 p.m.** A Parent Orientation regarding the vaccination has been already conducted by the TMC Doctors on November 01, 2018 in the School premises. Please note that the vaccination will be done by Health Department in collaboration with Education Department and the school is merely providing its premises for facilitating the process. You are requested to use your discretion and give your consent/dissent for the same in the slip given in the hard copy of the circular and submit it to the class teacher latest by **November 27, 2018.**

**N.B: One parent must accompany the child for getting the vaccination done.**

**NB :** A hard copy of circular is sent with your child. Kindly fill in the consent form and send it with your child by the due date.
